

Howard County Fire and Rescue presents:

FIRE AND FALL PREVENTION FOR AGING ADULTS

DO YOU
KNOW
WHAT
TO DO
IN A FIRE?

Howard County Fire and Rescue presents:

FIRE AND FALL PREVENTION FOR AGING ADULTS

DO YOU
KNOW
WHAT
TO DO
IN A FIRE?

According to the National Fire Protection Association, adults 65 years of age and older are twice as likely to be killed in a fire than the general population, and falls are the #1 cause of injury and death.

Howard County Fire and Rescue provides free home safety visits and smoke alarm installations to these community members in an effort to reduce the risks of fire and falls in the home.

Contact us for your free home visit today or visit us online to see a complete list of upcoming presentations!
